

Wise Mind & States of Mind

Greater Nashua Mental Health Center

Instructions: Wise Mind is the DBT state where Reasonable Mind (logic, facts) and Emotion Mind (feelings, urges) overlap — calm, centered inner knowing. Use this sheet to notice which state you're in and access Wise Mind for a decision.

States of Mind

Reasonable Mind — describe a recent moment of pure logic/facts:

Emotion Mind — describe a recent moment driven by feelings/urges:

Wise Mind — describe a time you 'just knew' the right thing calmly:

A current decision

The decision or situation I'm facing:

What does Emotion Mind say?

What does Reasonable Mind say?

Wise Mind practice: breathe in 'wise', out 'mind'; ask the question and listen.

What does my Wise Mind say?
