

Safety Plan

Greater Nashua Mental Health Center

This safety plan is a prioritized list of coping strategies and resources to use during or before a suicidal crisis. Complete this plan with your clinician and keep it accessible at all times. **Based on the Stanley & Brown Safety Planning model.**

Step 1: Warning Signs

What thoughts, feelings, moods, situations, or behaviors indicate a crisis may be developing?

Step 2: Internal Coping Strategies

Things I can do on my own to take my mind off my problems without contacting another person:

Step 3: People and Social Settings for Distraction

People and places that provide healthy distraction (name & phone/location):

Step 4: People I Can Ask for Help

People I can reach out to when I need support (name & phone):

Step 5: Professionals or Agencies I Can Contact

Clinicians, agencies, or crisis services (name, phone, address):

Step 6: Making the Environment Safe

Steps I can take to reduce access to means (remove or secure items, leave a location):
